\$85/M  
\$105/M

Customers First Online Auction House is comprised of consumers on the internet anxious to start a home based business selling products on online auction houses like eBay. They are looking for supplemental income and the benefits that go with running their own business and working from home. The list includes buyers and responders to the offer of an interactive CD with information and trade secrets to help them get their business started. These consumers will be receptive to business opportunities, sweepstakes, credit; cash advance offers, financial newsletters and publications, and more.

Please contact list manager for further information:
